Information on the maturity exten		04 2022
	Q4 2023	Q4 2022
Prerequisites for the extension of maturity of the Pfandbriefe	The extension of the maturity is necessary in order to avoid the imminent insolvency of the Prandbrief bank with limited business activity, the Prandbrief bank with limited business activity is not overindebted and there is reason to believe that the Prandbrief bank with limited business activity will be able to meet its liabilities then due after the expiry of the maximum possible extension date, taking into account further possibilities for extension. See also, in addition, section 30 para 2b Pfandbrief Act.	
	The cover pool administrator may extend the maturity dates of the principle payments, if the relevant requirements pursuant to section 30 para. 2b Pfandbrief Act are met. The administrator shall determine the period of the extension of the maturity, which may not exceed a period of 12 months, in accordance with necessity.	The cover pool administrator may extend the maturity dates of the principle payments, if the relevant requirements pursuant to section 30 para. 2b Pfandbrief Act are met. The administrator shall determine the period of the extension of the maturity, which may not exceed a period of 12 months, in accordance with necessity.
Powers of the cover pool administrator in he event of the extension of maturity of he Pfandbriefe	months, in accordance with necessity. The cover pool administrator may extend the maturity dates of the principal and interest payments falling due within one month after the appointment of the cover pool administrator to the end of that monthly period. If the cover pool administrator decides in favor of such a extension of the maturity, the existence of the prerequisites pursuant to section 30 para. 2b Prandbrief Act shall be irrefutably presumed. Such an extension shall be itaken into account within the maximum extension period of 12 months. The cover pool administrator may only exercise his authority uniformly for all Prindbrief of an issue. In full or on a pro rate basis. The cover pool administrator must extend the maturity for a Prandbrief issue in such a way that the original order of servicing of the Prandbriefe which could be overtaken by the postponement is not changed (prohibition of over taking). This may result in the maturities of later maturing issues also having to be extended in order to comply with the prohibition on overtaking. See also, in addition, section 30 para. 2a and 2b Pfandbrief Act.	The cover pool administrator may extend the maturity dates of the principal and interest payments falling due within one month after the appointment of the cover pool administrator to the end of that monthly period. If the cover pool administrator decides in favor of such a extension on the maturity, the existence of the prerequisites pursuant to section 30 para. 2b Pradhoffer Act shall be irrefutably presumed. Such an extension shall be taken into account within the maximum extension period of 12 months. The cover pool administrator may only exercise his authority uniformly for all Pradhoffe of an issue.
